We deeply thank you for considering becoming a donor to the Central Florida International Film Festival. As a nonprofit organization, donations provide a vital portion of our annual operational cost and your gift goes toward not only creating a high quality three day international film festival at Epic Theatres of Mount Dora, which both entertains and educates attendees from all over the world, but also creating scholarship opportunities for local students who wish to pursue filmmaking and humanities courses through our partnership with Lake Sumter State College.

Donors receive recognition at all of our events throughout the year and are featured during the festival on our CENFLO Donor Slide. Our donors are also recognized in our festival program, our website and in all programs throughout the year for our forthcoming showcase series, special events and fundraisers for other local nonprofit organizations. Since we are a 501(c)(3) arts organization, your gift is tax deductible.

As a donor you will become a true Patron of the Arts whose contributions will be improving the entertainment and education of Central Florida culture through the art of cinema
